New Director for Minda Incorporated

Dr Bronwyn Halliday, former Executive Director, Planning SA, has been appointed as an Expert Director of Minda Incorporated, President Roy Arnold announced today.

Mr Arnold said Dr Halliday had a lifetime of experience in strategic and organisational reviews, change management and Governance; and an intimate knowledge of the challenges and opportunities facing the sector.

"I am delighted to announce that Dr Bronwyn Halliday was invited, and has accepted, an appointment as a Director of Minda Incorporated.

"Bronwyn will chair the Board's Governance Committee and is eminently qualified to do so," Mr Arnold said.

Dr Halliday brings to the position a wealth of experience and knowledge, with the focus of her doctorate being on corporate governance. Formerly National Director of Continuous Improvement with Ernst & Young, Dr Halliday has been a senior executive in the South Australian Government. More recently as Director, State Library of South Australia, she managed the State Library redevelopment, winning numerous architectural and related awards and as Executive Director, Planning SA, she managed the government's land use planning agency.

Minda Incorporated is one of South Australia's largest disability organisations and also one of the State's largest employers, with over 900 staff and over 1,100 clients in residential care, supported community living, day care options and employment.

Minda is this year celebrating 110 years of providing services to South Australians with intellectual disability.
